OF APPLICANTS' ERROR IN CLAIMING SMALL ENTITY STATUS**

Dear Sir:

Applicants have discovered that small entity status was established in error on the above-referenced issued patent and some of its predecessor applications. Applicants erroneously claimed small entity status and paid small entity fees, believing in good faith that they were entitled to small entity status at the time the fees were paid.

As a result of the foregoing error, Applicants believe that the additional fees listed below are now due:

Application No. 08/315,673 (Patent No. 5,582,982)

Issue Fee	\$695.00
3 Mo. Extension Fee	\$500.00
1 Mo. Extension Fee (filed under '463)	\$55.00

I, hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner of Patents and Trademarks, Washington, D.C.

The above includes the preceding applications of Patent No. 5,582,982. Applicants believe that no additional fees are due on Application No. 07/256,689 because Applicants' claim of small entity status was proper at the time Application No. 07/256,689 was filed.

Pursuant to 37 C.F.R. § 1.28(c) Applicants herewith submit the fees representing the difference between small and large entity status for those fees which were incorrectly submitted. Please charge the sum of \$4,533.00 to the deposit account of Fulbright & Jaworski L.L.P., Account No. 06-2375, under Order No. 883159/D-5050, from which the undersigned is authorized to draw. If any additional fees are due or missing please also withdraw these fees from the same deposit account. An additional copy of this letter is attached for accounting purposes.

Respectfully submitted,
